Experience | Passion | Purpose

34,000 professionals

Our people are in 50 U.S. states and 105 countries and territories

$6B+ annual revenue

Founded in 2020 with a 117 year legacy of serving government and commercial clients

A proven ability to deliver mission success—

- Largest aviation services provider to the United States Department of Defense
- 2,000 aircraft of 100 different model/design/series (M/D/S) sustained at 100 sites worldwide
- 30,000+ helicopter pilots trained over 30 years
- 100+ government and commercial space launches supported
- 25,000+ mi² (65,000+ km²) of test and training ranges operated—largest range services provider in the world
- 90% of the U.S. chemical weapons stockpile destroyed ahead of schedule and under budget
- 2M+ gallons of high-level radioactive nuclear waste remediated
- 7M square feet of nuclear and hazardous facilities demolished
- ~£200M (~$260M) saved per year by increasing efficiencies in the UK's defense footprint
