Why partner with us

- Program based partnership approach
- Results/Value based
- Continuous Improvement
- Proven work management processes
- State-of-the-Art Technology & Reliability
- Improved service delivery
- World-class safety culture
- Risk management
- Cost optimization & lower operational expense
- Innovative approach to service delivery
- Responsiveness
- Single point communication
- Risk/Reward Programs

Facility types

- Manufacturing plants
- Industrial complexes
- Data centers
- Research and development
- Pharma
- Headquarters campuses
- Distribution centers
- Supply depots
- Training facilities
- Commercial & corporate office space
- Energy sites / Utilities
- Military Installations & facilities
- Aerospace

Representative Services

Amentum is a unique provider in the market that self-perform Facilities, Production and Infrastructure Operations and Maintenance, enabling multi-trade workforce management.

Integrated Facility Management

We provide complete facility support to ensure sustained operations, asset preservation and customer satisfaction.

- Hard services include mechanical, electrical, HVAC, High Voltage
- Soft services include janitorial, pest control, grounds and landscaping maintenance
- Workplace solutions
- Energy management
- Field support

Production Maintenance

We provide equipment maintenance to ensure factory-asset uptime and reliability.

- Production machines and equipment
- Complete production line and plant maintenance
- Corrective/reactive maintenance
- Reliability Maintenance / PdM (predictive maintenance)
- Electrical and mechanical maintenance
- Automotive/Fork-truck
- Hoist and Crane
- AGV - Logistics

Ancillary Services We implement and control the efficient and effective use and storage of goods, along with other aspects of the supply chain, during the life of the services contract.

- Logistics
- MRO management
- Project management
- Engineering
- Asset Condition Assessment
- Distribution and warehousing

About Amentum

Amentum is a premier global technical and engineering services partner supporting critical programs of national significance across defense, security, intelligence, energy, and environment. We draw from a century-old heritage of operational excellence, mission focus, and successful execution underpinned by a strong culture of safety and ethics. Headquartered in Germantown, Md., we employ more than 34,000 people in all 50 states and perform work in 105 foreign countries and territories. Visit us at amentum.com to explore how we deliver excellence for our customers' most vital missions.
